## Objective

I hope to fill a position requiring creativity and team building skills, and which allows me to use and expand my skills in graphic design and in video production and editing software.

## Technical Skills

- ✓ Proficient with Mac OS X, Microsoft Windows XP and Windows Vista
- ✓ Experience with Mozilla Firefox and Microsoft Internet Explorer web browsers
- ✓ Skilled with Microsoft Office software (Word, Power Point, Excel)
- ✓ Experience with software used in the Digital Media Studies program, including:
  - Adobe Suite software (Dreamweaver, Photoshop, Illustrator, Fireworks)
  - Final Cut Pro
  - Quark Xpress
  - 3ds Max
- ✓ Maintain my own website using HTML and CSS at <http://www.khwebfiction.com> (includes projects I have done in the past)
- ✓ Eager to learn about new design software and coding languages (MySQL, PHP, Motion, Blender, Autodesk Maya)
- ✓ Proficient at operating video equipment in the studio and in the field

## Education

Bachelor of Arts in Digital Media Studies with Spanish minor - GPA 3.28/4.0  
*University of Denver, 2004-2008*

Study Abroad in London, United Kingdom, via DU's Cherrington Scholars Program
